Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught," writes Mrs. Sylvania Woods, of Clifton Mills, Ky.

"It certainly has no equal for la grippe, bad colds, liver and stomach troubles. I firmly believe Black-Draught saved my little girl's life. When she had the measles, they went in on her, but one good dose of Thedford's Black-Draught made them break out, and she has had no more trouble. I shall never be without

THEDFORD'S BLACK-DRAUGHT

in my home." For constipation, indigestion, headache, dizziness, malaria, chills and fever, biliousness, and all similar ailments, Thedford's Black-Draught has proved itself a safe, reliable, gentle and valuable remedy.

If you suffer from any of these complaints, try Black-Draught. It is a medicine of known merit. Seventy-five years of splendid success proves its value. Good for young and old. For sale everywhere. Price 25 cents.

Observations

(By OBSERVER)

The Good Book tells us about a chap who, in the long long ago fell among thieves while journeying from Jericho to Jerusalem. I presume he was not the first fellow who was trimmed by thieves. I know he is not the last to experience such a calamity.

Thieves in the world then. Thieves in the world now. All kinds of thieves, from the thief who is sent to the pen for stealing a screwdriver to the thief who steals a railroad and is sent to congress. Thieves who twist your nose everytime you stick it out of your door. Thieves who wreck your character if your eye is taken off your good name for a moment.

A man who will get into office or perpetuate himself in office on a false impression of himself or his opponent is an office-seeking or office-holding thief. Some of the present officers of Curry county appear more than willing, yea dreadfully anxious to remain at the pie counter. Some of them have been fattening at this counter for many years past, but they would be perfectly d-e-l-i-g-h-t-e-d if the "good people" would permit them to remain for at least two more years. For this perchance, they should not be censured. The picking is good at the pie counter. But the impression some of these office holders and office seekers are trying to make, is reprehensible. Ever and anon it leaks out that the present officers, especially those who have to do with enforcing the law, are staunch prohibitionist, while their opponents, are either anti prohibitionist, or doubtful as to their stand on this question. This same bunch would have us believe that the only possible way to enforce the local option

law is to re-elect them.

Be it known here and now, that I am a prohibitionist. I vote for it. I work for it, but I will not fall over myself, to vote for any man who is trying to get into office or perpetuate himself in office on a false impression.

News has been received here of the marriage in Carlsbad last Sunday of Claude Hackney to a Miss Higgins of that place. Mr. Hackney is a Santa Fe brakeman, who formerly worked out of this point, but is now running on passenger between Carlsbad and Slaton, and he has many friends among the railroad boys here who join in wishing he and his bride a happy married life. Mr. and Mrs. Hackney will make their home in Carlsbad for the present.
